IMPORTANT INFORMATION

Coming Soon!

myCCS will retire in
December 2018

Access to grades and student
information will be available in the
new PowerSchool parent portal

More information on how to create a
parent account is coming soon!

We are excited to announce that myCCS will retire in December 2018. In anticipation of this, we would like to introduce its replacement, the PowerSchool Parent Portal. This easy-to-use portal is a secure website where parents and students can access real-time information such as grades, class schedules, athletic information and additional resources such as Canvas and EZSchoolPay.

Beginning next week and continuing through November, we will email individual Access ID codes alphabetically by last name so parents can create their Parent Account in the PowerSchool portal. We anticipate that all access codes will be distributed by the end of November. In addition, we are looking forward to launching a new district website over winter break. Please stay tuned for more information as we prepare to roll out the redesigned website.
