

Clay Center Elementary presents

Eads Roofing Adults Night Out

Clay Center Elementary has exciting news! An inaugural fundraising event for Caregivers and Staff is being held the evening of April 22, 2022 at Meridian Hills Country Club. Clay Center serves 690 Comets, approximately 400 families, and has approximately 40 teachers and aides.

As Clay Center Elementary is a brand new school, the goal of the Adults Night Out is to fundraise and build a monetary base for the students and staff. This year's event will feature a live and silent auction. Attendees will also enjoy a fun, casual night of trivia, cocktails, and festive bites.

The impact of the funds raised will support field trips, classroom equipment and learning opportunities, ongoing education for teachers, supplements, snacks and other supply needs. For this to be a successful evening, we need your help. Currently, we are seeking businesses or parents to sponsor the event and/or we are asking each family to donate an item to our silent auction. With this tax deductible donation, you would be contributing to the success of the Comets for years to come.

Thank you for your help making this a fun, successful fundraiser for our Comet Family, and contributing to an event of community building for parents.
