Important Carpool Information!

Please remember: Car rider drop off starts each morning at 7:15 a.m.; the tardy bell rings at 7:45 a.m. Ideally, we welcome students into the building by 7:40 a.m. to allow them to be in class for a 7:45 a.m. start. The end of the day dismissal begins at 2:25 p.m. daily.

A new city ordinance now restricts using neighborhood streets near school property as a school drop off alternative. This can cause traffic congestion and the potential for unsafe traffic movement around children where there is no additional supervision off school property. If you are using a car to get children to/from school, please follow the procedure to bring them in/pick up on school property in the lot to the east of the school/facing Hazel Dell Pkwy.

We do our best each day to keep the line moving in an efficient way. You can help by having students ready to exit the car upon arrival, pulling all the way down in the morning to allow more cars to drop off and by having all students exit the passenger side of the car for safety. Thank you for your partnership in helping us welcome and safely deliver home 700+ students each day.

Bikers & Walkers

Please remember that students who walk or ride their bikes to school will not be able to enter the building until 7:35 a.m. With the colder, darker mornings we want to make sure that children are not standing outside for long periods of time. **Thanks so much for helping keep our CTE kids safe!**

<p>Reminder for Bus Riders</p> 	<p>Due to reduced bus routes and seats, students are not allowed to ride the bus home with a friend. It is recommended if students are getting together after school that they be picked up in the car rider line or dropped off directly at their friend's house by a parent/guardian.</p>
<p>Mask Reminder</p> 	<p>If you would like for your child to wear a mask during the school day or on the bus, please make sure to provide them with one to wear and a back up mask. We have a very limited supply of masks.</p> <p>Thank you for your help with this!</p>
<p>Chromebooks</p> 	<p><u>Please remember to charge your Chromebooks every night!</u> They are a very important part of our daily routine and need to be charged and ready to go at the beginning of each day.</p>
<p>Attendance</p> 	<p>Remember to please call us and let us know if your child will be absent or arriving late to school. Call 846-3086 and press 1 for attendance.</p> <p>Please make sure to leave to the reason for the <u>late arrival</u> or <u>all day absence</u></p>
<p>Lost and Found</p> 	<p>Don't forget to have your child check the Lost and Found often! We have a lot of new items already. Most of the items are sweatshirts and water bottles.</p> <p>**Please label all items such as coats, water bottles, jackets, and hats for the rest of the school year so they can be returned if found!</p>
<p>Parking Reminder</p> 	<p>With the cold weather our carpool line is getting longer every day. Please remember that if you are visiting the school or picking up your child early, we need to keep the front and bus parking lots clear. You are free to park in the staff lot (north side of building).</p>
<p>Welcome Parent Volunteers!</p> 	<p>We are so excited to have parent volunteers back in the building! Please make sure that your background checks are up to date before signing up in your child's classroom. If you are not sure if your background check is still current you can call the front office and we are happy to check on this for you. If you have never done one of these with CCS please go to the CTE website and follow the link under PTO/Volunteer.</p>
